

## Afternoon Carpool

### General Rules:

- **HAVE YOUR NAME HANGTAGS VISIBLE.** (Hanging from the rear view mirror seems to work well.)
- If you need to get your child for a doctor's appointment and you are afraid waiting in the carpool line will make you late, you must check him/her out early – **no later than 2:15 p.m.**
- **DO NOT** park and walk over, crossing the carpool line, to get your child from After Care. Wait until 3:05 p.m. or until the carpool line is finished, to pick your child up from After Care.
- **DO NOT** park and come pick your child up from the carpool group. You **MUST** use the carpool line for pickup.
- "U" turns are not allowed – proceed to 22<sup>nd</sup> street once you have picked up your child.

***Pre-K & K students and any students who ride with them are picked up from the ELC Building.***

### Procedure:

- Travel 23<sup>rd</sup> Street, turn right at the corner and go down the alley between the gym and LanCorp building
- Please **DO NOT** block the doors of the LanCorp building on 23<sup>rd</sup> Street or the parking in front of the company on Main Street. It is fine while the line is moving, but don't arrive early, sit and wait, blocking either area.
- Have the car seat placed on the passenger side of the car and teach your child how to buckle himself or herself in.
- If you need to buckle the child in, pull up out of the line and do so. Exit onto North Street.

### ***Grades 1 – 8***

### Procedure:

- The cars line up behind the church entering the lot from Main Street, **NOT** from 22<sup>nd</sup> Street.
- Four rows are formed behind the church taking turns forming one line on the right side of the driveway by the rectory. Cross Main Street and get into the "bus" lane.
- When your name is called your child/carpool is directed to Station 1, 2, 3 or 4. Pull up to the station where you see your child.
- Turn right onto 22<sup>nd</sup> Street, so traffic doesn't block the carpool line.
