---

Dear Parents,

It is now time to think about your child's school supplies for the upcoming school year. The list of the school supplies for the 2018-2019 school year will be available on the school website. The Sacred Heart Home and School Association is offering the opportunity to purchase pre-packaged school supplies. This valued service will save time and frustration and comes with a **100% satisfaction guarantee**. At any time during the school, if you experience any problem with any item ordered through Home and School, please notify me of the problem and a replacement item will be provided to your child as quickly as possible.

If you elect to participate, your child/children will receive teacher approved, pre-packaged supplies delivered directly to the classroom ready for use on the first day of school. **Please note, book sacks are NOT included in these supplies. SHS zippered pencil bags are included for 1st and 4<sup>th</sup> grade ONLY when ordering through Home & School. If you do not order with us, please consider ordering these durable pencil bags available through Tiger Shop.**

If you are interested in ordering school supplies from the SHS Home and School Association, please see the attached instructions for ordering online. **The online store will be open May 22, 2018 – June 10, 2018. All orders must be placed during this time period in order to ensure classroom delivery.**

There will be an opportunity to earn PIP (Parental Involvement Plan) hours by helping with the preparation and delivery of the supplies in late summer (hopefully on a Saturday). If you are interested, please complete the enclosed form and return to the school or to me directly at the email address below.

The Sacred Heart School teachers strongly recommend purchasing through Home and School. We appreciate your support and hope you will take advantage of this opportunity.

Sincerely,

Estela I. Journée  
SHS Supply Coordinator
