WEEKLY NEWS FROM SACRED HEART OF JESUS SCHOOL

JANUARY 8, 2019

Dear Sacred Heart of Jesus School Parents,

It is with great excitement and anticipation that I come to the position of Interim Principal of Sacred Heart of Jesus School to pave the way for your permanent principal, Mrs. Cecilia Methvin.

I bring thirty-eight years of experience to this position, eighteen years in elementary and middle school classrooms and twenty years as a principal. Fourteen of those years were as principal of Our Lady of Mercy. After six years as Director of Ministries at Mercy, I traveled across the country as a consultant working with administrators and teachers on implementation of professional development systems and online learning platforms.

I fell in love with Sacred Heart three years ago when I served on a consultation team here. That love has deepened as I have learned more about the school and the people who make it great. While I am here in the role of a place-holder to some degree, I pledge to you to apply all my energy and experience to the advancement of Sacred Heart. My purpose is, with the help of the Holy Spirit, to provide solid Catholic education for the children of this special school.

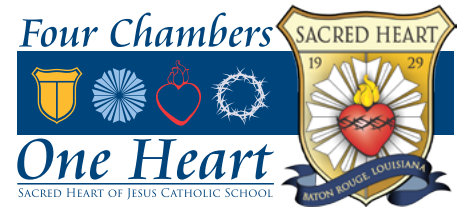

Sacred Heart has been through a difficult ten-year period that has seen more changes in administration than any of us would prefer to see. It is time for strong leadership, committed to retaining the diversity, family atmosphere, and strong academic tradition that make Sacred Heart great, while guiding its evolution in curriculum, instruction and technology in the 21st century. I believe so strongly that Mrs. Methvin is the person to do this that I have committed to coming out of a retirement that I have enjoyed very much to insure a smooth transition to the stability we seek. She and I have already begun to work together to ensure that what is accomplished in the next six months leads seamlessly into the future.

I look forward to meeting you and getting to know each of you and your children moving forward. May the Holy Spirit be our guide today and into the future.

Carolyn Guidry
