*Creator of all, thank You for summer! Thank You for the warmth of the sun and the increased daylight. Thank You for the beauty I see all around me and for the opportunity to be outside and enjoy Your creation. Thank You for the increased time I have to be with my friends and family, and for the more casual pace of the summer season. Draw me closer to You this summer. Teach me how I can pray no matter where I am or what I am doing. Warm my soul with the awareness of Your presence, and light my path with Your Word and Counsel. As I enjoy Your creation, create in me a pure heart and a hunger and a thirst for You. Amen.*

## Close the Summer Learning Gap!

**Summer learning loss puts students at a serious disadvantage.** This is when skills and knowledge are lost over the summer months, causing students to move backwards instead of progressing.

By spending just **minutes a day** with *Summer Solutions*, students get the practice they need to keep moving forward. It was designed to help students return to school after summer break confident in the skills they've already learned and ready to master new ones.

**Your child worked hard all year. Make sure that progress sticks.  
Give your child the advantage of *Summer Solutions*.**

Each book is \$15.99.
