

4th Grade Summer Reading

"The more that you read, the more things you will know. The more you learn, the more places you'll go."
-Dr. Seuss

I encourage families to spend at least twenty to thirty minutes reading each day.

Knowing how to choose a good book is part of being a good reader. Please choose books that are "just right." These books are books that are not too hard and not too easy.

WAYS TO ENJOY READING

-  Listen to a book being read aloud.
-  Take turns reading to a friend or parent.
-  Read the book by yourself and tell someone about your favorite parts.
-  Record yourself reading.
-  Listen to books on tape
-  Create a Book Club with your friend.
-  Make a list of the books you have read & rate how much you liked each book.
-  Visit a library.

Read at least one of the novels listed below. We will discuss and participate in activities in the fall!
