PRINCIPAL'S POST

By: Cecilia Methvin

Here is a final Merry Christmas and Happy New Year! The faculty and staff gathered Monday for prayer, professional development, and new semester preparations, as well as some virtual instruction. We were excited to welcome all of the students back today in person and are looking forward to the new semester.

I am grateful for your partnership as we continue to monitor the safety and well-being of our faculty, staff, and students during the COVID pandemic. Unfortunately, the current rise in case numbers will impact some of our progress this past year, but with diligence and commitment to protecting each other, we will be moving forward again. If your family is affected and your child becomes ill or needs to quarantine, I want to reiterate our academic and attendance procedures for those students.

- Contact Nurse Geri, Mrs. Methvin, and Mrs. Alexis Williams as soon as you suspect your child will be absent due to covid illness or exposure.
- Next, contact classroom teacher(s) to let them know about the covid-related absence from school. Teachers will individually communicate with you regarding posting of assignments, submitting work, whether or not they will have Google Meets during class time, etc.
- Approval for virtual learning will only be granted for covid-related absences.
- If you need a Chromebook for your child during their covid-related absence or need to pick up books and materials, please let the homeroom teacher and Mrs. Alexis Williams know.

Students will NOT be marked ABSENT in RenWeb unless they are ill and cannot work, or they do not complete their daily assignments.

As always, please let Nurse Geri or I know if you have any questions or need further clarification of the COVID guidelines from Bishop Duca.

We pray that 2022 will bring us peace, joy, love, and good health!
