WHAT'S HAPPENING!

Continued from page 1

OPEN HOUSE We are hosting an open house on October 27 from 9 am-1 pm. If you have friends, family, or co-workers that might be interested in attending, we have some push cards that you are welcome to pass along. We can send them home with your student. Simply email Wendy Milam (WMilam@SacredHeartBR.com). If you do not know anyone personally, but would like to display some at your work or place of business, you are welcome to do that as well.

BOX TOPS Did you know that collecting box tops is easier than it has ever been? You just download the [box tops app](#), choose our school, and scan your receipt when you shop for food. Our school will automatically earn cash with every Box Tops product you buy! It adds up faster than you think. In just 4 months one of our kindergarten parents earned over \$50 for our school!

CHARLESTON WRAP Congratulations to the seventh grade class for selling the most Charleston Wrap items and raising the most money as a class. As a reward, the seventh graders will have a free dress day on Wednesday, October 19. Remember, you may continue to place orders online until December 2. Orders placed between now and December 2 will be shipped via FedEx and Sacred Heart will still receive a portion of the proceeds.

MIDDLE SCHOOL MATH IXL Middle School students have answered over 45,000 math questions on IXL in the first nine weeks of the school year! Which is over 5,000 per week! The student average is almost 800 questions per student. Winning a certificate for the most questions answered is seventh grader Lauryn Young with 1,612 questions! That is more than twice the student average! Finishing in the top 5 were Jacques Parms, Kalli Maxwell, Haley Broussard, Alex McCormack, and Khloe Thomas. Keep up the good work!

SACRED HEART OF JESUS ST. VINCENT DE PAUL FOOD PANTRY Sacred Heart of Jesus St. Vincent de Paul Food Pantry serves people in need who live within the geographical boundaries of Sacred Heart of Jesus Parish. Food pantry collections are made each Friday during our school liturgy. Students, faculty, and staff donate non-perishable food items and are a major source of donations. At this time, the food pantry especially needs canned fruit, soup, muffin mix, mac and cheese, canned tomato items, and rice.

Five Things to Know About Hispanic Heritage Month

It's a national celebration to honor the history, culture, and influence of past generations that came from Spain, Mexico, the Caribbean and Central and South America. Hispanic Heritage Month has been a big celebration in the U.S. for more than 40 years. Hispanics across the country celebrate this month with pride and joy, while commemorating the importance of diversity.

What is Hispanic Heritage Month?

It's a national celebration to honor the history, culture and influence of past generations who came from Spain, Mexico, the Caribbean and Central and South America. U.S. & World: The observance started in 1968 under President Lyndon Johnson's administration as a one-week celebration called Hispanic Heritage Week. Years later, President Ronald Reagan proposed extending this celebration into a month-long event. It was enacted into law on Aug. 17, 1988, officially designating the 30-day period as National Hispanic Heritage Month.

When is Hispanic Heritage Month Celebrated?

Hispanic Heritage Month is celebrated from Sept. 15 to Oct. 15. The celebration starts mid-month because Sept. 15 marks the independence anniversary of five countries: Costa Rica, Nicaragua, El Salvador, Honduras and Guatemala. It is followed by Mexico's Independence Day on Sept. 16 and Chile's on Sept. 18. Another important date that falls within this 30-day period is Día de la Raza, or Columbus Day, which is celebrated on Oct. 12.

What does Hispanic mean? While many people use Latino(a) and Hispanic interchangeably these two words mean different things. A Hispanic person is someone who comes from or is a descendant of a Spanish-speaking country. Latino(a) is used when referring to someone who comes from Latin America or is a descendant from any Latin American country. A person can be both Hispanic and Latino(a), but not all Latinos are Hispanic. Brazilians, for example, are Latinos, but their native language is not Spanish. Conversely, not all Hispanics are Latino(a). Spaniards are considered Hispanic, but not Latinos since they are part of the European Union.

How many Hispanics are there in the U.S.?

The Pew Research Center says the U.S. Hispanic population is the nation's second-fastest-growing ethnic group after Asians. The Hispanic population in the U.S. as of July 1, 2017 is 58.9 million, according to the U.S. Census Bureau. Hispanics account for 18.1% of the total U.S. population.

How can we celebrate Hispanic Heritage Month? People use this celebration to show the importance of Hispanics in the U.S. by donating to Hispanic charities, eating food from any of the countries that are being celebrated, learning from their cultures, and honoring influential Hispanics who have made an impact on society.

Nut Free Halloween Candy?

In working with children, I am sensitive to the plight of parents whose children have nut allergies. I am sure Halloween must not be easy. Some children have reactions to food items that not only contain nuts but are processed in plants where nuts are also processed. Scary huh? In the spirit of safety and inclusiveness, please consider getting treats that are nut and peanut free. I have included a list of tree nut and peanut free candy by brand. Let me know if you find any errors on this list.
