PRINCIPAL'S POST

By: Michael Miller

I hope you had a rest filled Labor Day Weekend! We are so blessed to have such a loving and faith filled Church community at Sacred Heart of Jesus!

Congratulations to the Boys' Cross Country Team for placing 3rd at their meet! This week is a short school week with our first Spirit shirt Friday (Sept. 8th) and our Children's Mass on Sunday at 11am (Sept. 10th). I hope to see you at Friday's School Mass and Sunday's Children Mass.

Jesus began to show his disciples that he must go to Jerusalem and suffer greatly from the elders, the chief priests, and the scribes, and be killed and on the third day be raised. Then Peter took Jesus aside and began to rebuke him, "God forbid, Lord! No such thing shall ever happen to you."

Jesus rebukes Peter and says Take Up Your Cross. Following Jesus takes sacrifice but the rewards are worth it. That's the lesson Peter learned after Jesus rebuked him. - Matthew 16:21-27

SACRED HEART OF JESUS ST. VINCENT DE PAUL FOOD PANTRY Sacred Heart of Jesus St. Vincent de Paul Food Pantry serves people in need who live within the geographical boundaries of Sacred Heart of Jesus Parish. Food pantry collections are made each Friday during our school liturgy. Students, faculty, and staff donate non-perishable food items and are a major source of donations. While all donations are accepted, the pantry is in particular need of pasta, canned vegetables, canned fruit, and beans. Thank you so much for your support!

Prayer for Patience

Dear Lord, I ask for the patience to endure difficult times and wait for your timing.

Help me trust your plan and remember that your ways are higher than mine.

Please give me the grace to let go of my own agendas and embrace your will for my life.

May your peace and sustain me as I await your guidance and provision.

I pray in Jesus' name.

Amen

A MESSAGE FROM NURSE GERI

What's the Buzz at the Sacred Heart Hive?

On May 1st, Mr. Kyle Beall (dad to our students Abigail, Asher and Nathan) helped Mr. Dan and I remove some uninvited guest on our playground. It was a swarm of bees!

May 1, 2023 Bees looking for a new home in our oak tree on the playground!

Many of you have asked how the bees are doing? Here's the buzz. The hive is thriving. There are so many bees in the hive. A good sign of a healthy bee hive is lots of baby bees being made. The first picture shows a frame with lots of baby bees getting ready to hatch. Another sign of healthy bee hive is that the bees are storing lots of extra honey. The second picture shows the bees hard at work making and storing honey. The light color the arrow is pointing to the honey that is ready to eat. Sometimes the bees share their honey with humans. Right now, we are going to let the bees keep all of the honey so they will have enough food for the winter.

Mr. Dan and I are happy beekeepers, knowing how important bees are for our environment and how grateful we are for our Sacred Heart hive!

Wishing you a healthy week ahead,
Nurse Geri

What is Kids' Orchestra?

Kids' Orchestra (KO) is an after-school program that strives to build a community of creative, confident, and socially engaged students through music education.

KO ensures that students have access to resources that they may not otherwise receive such as safe, constructive, and collaborative extracurricular engagement (music lessons); healthy snacks; homework assistance; Social Emotional Learning support; and performances opportunities throughout the year. Students receive an instrument for a year free of charge, on which they receive musical instruction from professional music educators.

OUR MISSION: To build a community of creative, confident, and socially engaged students through music education.

OUR VISION: To bring Louisiana together through music.

WHO WE SERVE: We serve elementary and middle school-age children across East Baton Rouge Parish and provide them with the opportunity to study music, learn an instrument, and practice the art of performance.

HOW WE SERVE OUR COMMUNITY: As an El Sistema-inspired organization, we have adopted the guiding philosophy that music education can create great musicians and positively change the life trajectory of children in a given community.

MUSIC
Students are offered instruction in a variety of settings including in-person group lessons, online group lessons, and online private lessons. Depending on age and experience level, students can choose to study one or more of the following instruments: violin, viola, cello, double bass, flute, clarinet, trumpet, trombone, and percussion. In-person instruction is offered at partnered schools in EBRPSS and City of Baker Schools.

For our youngest students in Kindergarten and 1st grade, we offer Foundations classes that explore age-appropriate introductory concepts and skills. We also offer an Instrument Explorers class for new 2nd and 3rd grade students that introduces students to a variety of instruments.

PERFORMANCES
Each KO student is given the chance to perform twice a year, once in the winter and once in the spring. Both in-person and virtual programs give students the opportunity to show their family, friends, peers, and community how much they have learned and grown.
